Mini Station Mini Station with Spoons

SPECIFICATION SHEET

FAST FACTS

Insulated Mini Stations hold food cold where you need it with exclusive 1/9-size jars that are 6" deep and hold 60 oz, almost twice as much as standard 4" deep pans for more toppings in the same footprint.

APPLICATIONS

- Keep toppings cold for breakfast bars or dessert stations
- Hold cocktail garnish close by, stocked and cool
- Need more options? See the Mini Station Creation Guide on page 37 of our [online catalog](#) to create your own combo

DETAILS

- Keep up to (4) toppings cold and stored where you need them with modular Mini Stations
- Clear plastic hinged lid allows for quick product identification

MINI STATION WITH SPOONS, MODEL: MB-4

Server Mini Stations are constructed of an insulated base with stainless steel housing, are for countertop use. Models include appropriate number of 6" deep, black plastic 1/9-size jars, clear plastic hinged lids and 1/2 oz clear plastic spoons. Stations can be iced or accept Universal Ice Packs (100515 - sold separately); MB-4 accepts two. NSF listed. Two-year warranty.
