

HIGH VOLUME. EXTREMELY COMPLIANT.

EXTREME™ CONDIMENT DISPENSER

Help the environment while reducing costs – pouches produce less solid waste than other packaging and achieve up to 97% evacuation

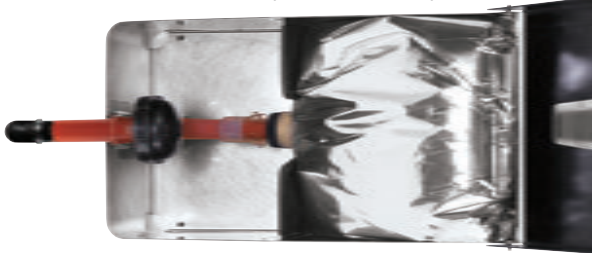

ADA compliant lever dispenses with less than 5 lbs of pressure

NSF listed pump has minimal parts and is dishwasher safe

Streamline high-volume operations without the hassle of CO₂ systems; dispenses from 3 gallon bag-in-box or Vol-Pak® packaging (38 mm connector)

Top View with Lid Open

Save labor with reduced cleaning time – condiments are contained in pouch, keeping pump exterior and food vessel clean

EXTREME™ DISPENSER
Model ECD

Food Application

- Speeds transaction times with self-serve condiment station away from point-of-purchase
- Large-capacity dispenser streamlines high-volume condiment operations with no hassles of a CO₂ system

Fast Facts

Server Extreme™ dispenses portion-controlled servings of condiments from 3 gallon bag-in-box or Vol-Pak® packaging (38 mm connector) with up to 97% evacuation.

Large-capacity, countertop condiment dispenser reduces change-out downtime, fits into existing serving spaces and makes cleanup easy with only a few parts.

Eliminate over-portioning; adjust the portion size to dispense a 1, 3/4, 1/2, or 1/4 ounce serving with every press.
