

QUICK START GUIDE

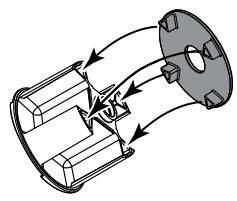

Server CerealServ® Dispenser

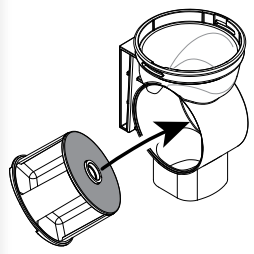

Tips and tricks to help you get started with your new CerealServ® dispenser.

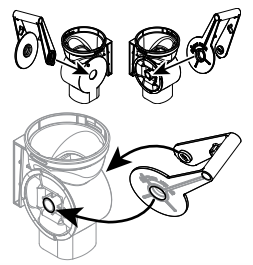

- 1** Remove unit from box. Clean, rinse, sanitize, and air dry parts.

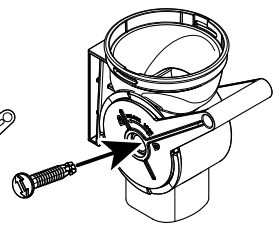

Countertop stand and drip tray can be wiped clean with a clean damp cloth. Do not use abrasive cleansers or scrapers. Drip tray is hand wash only.
- 2** Insert four triangular tabs on friction pad into matching slots in cylinder.

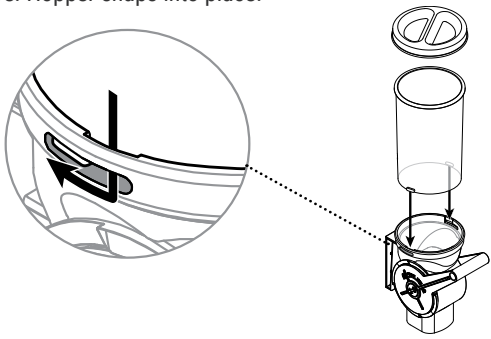

- 3** Slide cylinder into the opening of dispenser body.

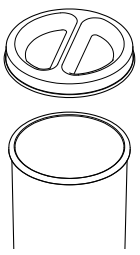

- 4** Slide handle over both sides of body and cylinder. Snap handle centers into holes on each side.

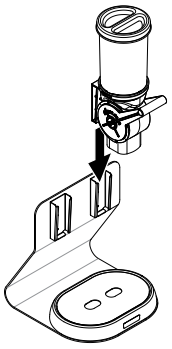

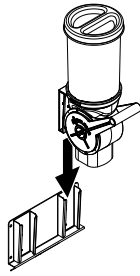

- 5** Slide pivot pin into center hole on left side of handle.

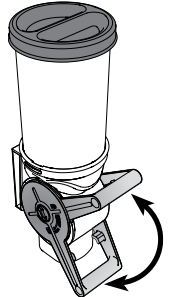

Align arrow on the pin with the unlock position.  Push pin in. Rotate to the locked position. 
- 6** Insert tabs of hopper into slots of body. Turn clockwise until secure. Hopper snaps into place.

- 7** Fill unit with cereal and put the lid on top of hopper.

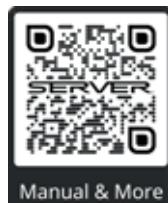

- 8** For mounting to countertop stand, slide dispenser into bracket of stand. For wall bracket installation, securely mount bracket to wall and slide dispenser into bracket.

- 9** For cylinder to advance and serve a portion, the handle must travel its full range of motion up and down.
