SERVE BETTER™

Squeeze more flavor.

With 1 in 3 consumers expecting restaurants to frequently introduce new flavors¹, patrons enjoy the unexpected when eating out. ProPortion™ Handheld Dispensers make it easier to add unique and on-trend tastes without re-thinking operations. Whether it's a signature sauce or an LTO, ProPortion™ dispenses consistent, accurate portions to satisfy every appetite without squeezing the budget.

Better for breakfast
40% of breakfast eaters prefer traditional breakfast foods over trendy options, highlighting the endless opportunities for flavor and format innovation.²

Culinary Tip

Give your benedict a flavor boost with a custom hollandaise. Add sriracha, crumbled bleu cheese, chopped herbs and more – the possibilities are endless.

Culinary Tip

Offer up something different than the ordinary falafel and try adding roasted tomatoes or garlic and capers to your traditional tahini recipe for a new spin on a classic dish.

Ethnic is everywhere

24% of Americans are trying more unique types of ethnic foods than they were two years ago.³

66% of operators say they're menuing more ethnic dishes than they were two years ago.¹

Keep dispensing what's trending.

Balsamic

+45% on U.S. menus over the past four years.¹

Culinary Tip

Put a fresh spin on the traditional caprese salad – swap watermelon for tomatoes.

Chimichurri

+83% on U.S. menus over the past four years.¹

Culinary Tip

Not just for beef – chimichurri's prominent flavors can liven up fish, seafood, pork, chicken and vegetables.

Salted Caramel
