IXD™ SERIES

Multi+™

CONDIMENT DISPENSER

SPEC SHEET

FAST FACTS

IXD™ Series MULTI+™ Condiment Dispenser delivers upon the exclusive Core Four™ Platform - unprecedented speed of service, efficiency, consistency and simplicity. Dispense up to six signature sauce and condiments from a single automated system, ensuring accurate flavor and faster service every day.

APPLICATIONS

- Front-of-house self-serve condiment station - dispense into portion cup or directly onto menu item
- Back-of-house condiment station for preparing menu items or filling portion cups

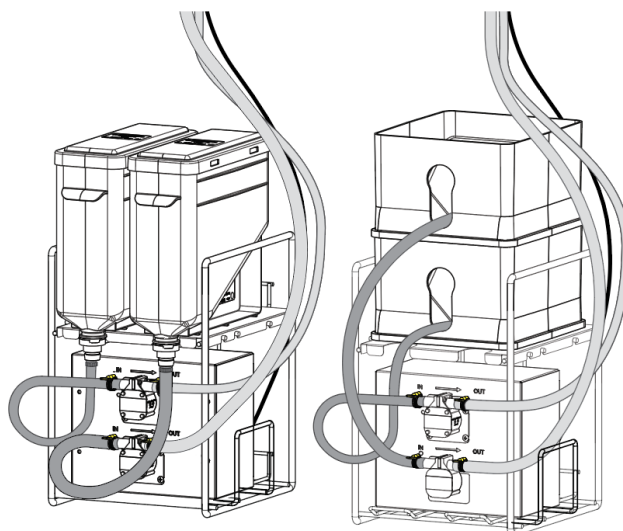

DETAILS

- User friendly interface includes condiment selection, dispense activation, low product level indicator, and product change-out prompts
- Models available for dispensing up to (2), (4), and (6) sauces or condiments
- Push-and-hold button activation is standard but precise portions can be customized for roll outs.
- Works with 1.5 gallon pouches with 16mm fitment, 3 gallon pouches with 38mm fitment or product directly poured into a 1.5 gallon enclosed direct pour holding vessel
- The Quick Connect System works with both pouch styles and makes changeouts easy and mess-free
- SmartWares® Technology platform enables IoT with Wi-Fi connectivity for real-time monitoring of key performance metrics
- Small countertop footprint with less than 6" of width and less than 10" of depth - only needs a 3" circumference cut-out hole
