

## Topping Warmers Single Warmers

### SPECIFICATION SHEET

#### FAST FACTS

Single Topping Warmers ensure precise temperature control and even heat for perfectly warmed sauces, gravies or toppings every time from 3 qt jars or #10 food cans. Or, add your special touch with warmed squeeze bottles in your workspace.

#### APPLICATIONS

- Serve sweet and savory toppings at the ideal temperature from the first serving to the last; FS includes 1 oz ladle
- Signature Touch™ Squeeze Bottle Warmer (SBW) keeps three bottles of syrups or sauces warmed and ready for service with a common base and inset kit

#### DETAILS

- The classic FS stainless steel water-bath warmer with ladle defines Server Essentials in just 8 in of countertop
- Water fill lines eliminate overflow accidents
- Dips, sauces and gravies are served at their peak flavor with a temperature-controlled thermostat to turn the wrap-around heating element on or off as needed
- Serve from a 3 qt Jar 94009 (recommended) or #10 can
- Coordinate lid knob with store theme or contents within; specify color and text when ordering
- SBW includes inset and three 16 oz bottles for heated use

FS Option: SST Jar 94009  
& Storage Lid 94008

FS Option: Squeeze Bottle Inset  
Kit 86819; Single Bottle 86809

"I am very familiar with the brand.  
I've always used them for warm  
toppings. They are **versatile, easy to  
clean** and have a **long life.**"

# Even heating. Even better toppings.

## TOPPING WARMER MODELS: FS | SBW

Server model FS is a stainless steel, rethermalizing water-bath warmer with lift-off lid, adapter ring and 1 oz ladle. An adjustable, temperature-sensing thermostat controls the 500 watt, wrap-around heating element, turning it off and on as needed. Temperature settings are marked on the thermostat knob and an ON/OFF rocker switch controls power. FS serves from a #10 can or 3 qt stainless steel jar (94009 jar sold separately). SBW features stainless steel inset and (3) 16 oz high-density squeeze bottles.120V AC 4.2-A, 500 Watts, NEMA 5-15P plug with 72 in power cord. 2-year warranty.
