Stainless Steel Slim Fountain Jar Pumps

More topping options in the same space; six slim jars fit in the space of four standard jars

Models for countertop, drop-in or slanted fountainette applications, for slim 1 1/2 qt or 2 qt fountain jars

Manage food costs and flavor with precise portion-control

Drop-in models feature a higher discharge point for additional serving clearance

NSF listed, clean-in-place certified or disassemble for cleaning

NEW Thick Pump (TP) models reduce dispensing force needed when working with especially thick or thicker products
