### Food Applications

- Keep sauces organized and cold for topping sandwiches, salads, drinks or desserts
- Mobilize your condiments – place on a buffet line or a specific finishing station

### Fast Facts

Countertop squeeze bottle holders keep sauces and dressings chilled and available wherever you need them; near finishing stations for plating or at dessert stations for topping ice cream.

Cut costs and save energy with Universal Ice Packs; includes (2) or (4) ice packs, depending on model, so you can freeze one while chilling with the other. Ice packs stay cold up to 4 hours.
