

IT'S NO TRICK TO DISPENSE THICK.

THICK FOOD DISPENSER

Thick ambient temperature batters and hand-crafted sauces dispense with ease so you can serve where you need it – holds 6 quarts in only 9" of horizontal space

Fill checks and refills are easy with lift-off lid

Fast-pour faucet allows ambient foods like BBQ sauce, salsa or pancake and waffle batters to flow freely into ramekins and soufflé cups

Mess-free alignment guide on removable tray ensures pour accuracy and easy clean-up

Slip and scratch-resistant feet protect your countertop

To fill tall containers (above 4¾"), reposition upper platform so faucet clears counter edge

THICK FOOD DISPENSER Model TPD

Application

- Use in front and back-of-house operations to dispense high viscosity or large particulate products like waffle or pancake batter or ramekins of salsa at a finishing station, the fast-pour faucet allows high viscosity foods to flow freely and seals instantly to prevent dripping.

Fast Facts

Serves thick, ambient foods like hand-crafted sauces and batters where you need it. Whether it's breakfast buffet waffle batter or ramekins of salsa at a finishing station, the fast-pour faucet allows high viscosity foods to flow freely and seals instantly to prevent dripping.

This dispenser holds 6 quarts in 9" of countertop space left-to-right and promotes FIFO product rotation with its top-fill/bottom-dispense design.
