

Top-tier solutions for every need.

Tiered Serving Stations

SR-2T

Save space – fit double the toppings in the same amount of linear counter space with tiered dispensers

Pumps control costs with precise portions; 1 ¼ oz max portion reduces in 1/8 oz increments

Showcase toppings while keeping them safe – present ingredients behind clear lids with 2PRS and SR-2S 1/9

Store ingredients between shifts with the 2PRS storage lid (85151)

2PRS Storage pan and lid

2PRS

SR-2S 1/9
(2 units shown)

FAST FACTS

- Precise portions ensure flavor consistency and help control food cost and waste; pumps dispense max 1 ¼ oz portion and reduce in 1/8 oz increments
- Choose from stay-open or self-close lids with the 2PRS

APPLICATIONS

- 2PRS ideal for environments that require self-closing lids
- Show off ingredients in topping and garnish bars

Tiered Serving Stations Models SR-2S 1/9, 2PRS & SR-2T

Top-tier solutions for every need.

Tiered Topping Stations

Models SR-2S 1/9, 2-RS & SR-2T
