

KEEP IT COOL RIGHT WHERE YOU NEED IT.

TOPPING CAN COOLERS

TOPPING CAN COOLERS

Mobile countertop station ensures this popular topping is where you need it, when you need it

HoldCold™ fountain jar kits fit inside insulated serving stations to keep your area organized

Make changeouts quick and easy with a spare kit in black or white – use one, freeze one

Stainless steel insert suspends can inside the cold zone – the center cutout prevents accidental discharge when positioning the can tip down

TOPPING CAN COOLERS

Food Applications

- Provide easy access to whipped topping wherever it's needed
- Top specialty coffee drinks, frozen beverages, breakfast foods and desserts

Fast Facts

Safely hold whipped topping cans up to 12 hours in a Can Cooler Kit or Station. Kits include (1) jar, can insert and lid; stations also include an insulated, countertop or drop-in base shroud.

Freeze one kit while you chill with another – jars come in two colors for alternate dayparts.
