## Touchless Express® Dispensers Direct-Pour Models

SPECIFICATION SHEET

### FAST FACTS

Server Direct-Pour, Touchless Express® Dispensers improve the dining experience by letting guests safely personalize their meal with the house-made dips, dressings and sauces that make your menu items craveable.

### APPLICATIONS

- Ambient serving of thin to thick and thicker craft sauces for your countertop finishing station
- High-volume use with 1.3- and 3.0-gal models

### DETAILS

- Direct-Pour dispensers allow guests to self-serve your craft sauces held safely inside a food-safe jar and lid
- PerfectSense™ Technology detects a user's hand to dispense up to 1-oz; removing the hand stops serving
- Precise sensor field prevents dispensing during surface sanitizing and pass-by activity
- Restaurant ready – simply plug into a standard outlet
- Stainless steel cleans easier and lasts longer
- 5-piece, dishwasher-safe pump disassembles easily
- Matching 1.5-gal pouched-condiment model ([100257](#))

Includes flavor label set for food identification

Today's diner expects a technology-driven experience and those tech solutions can directly spur customers to visit restaurants.

tartar sauce • crafted sauces

## Zero contact. Total comfort.

### SERVER TOUCHLESS EXPRESS® DISPENSERS DIRECT-POUR MODELS: SE-SS-TDP 100250 | SE-SS-TDP LCAP 100259

Server Touchless Express®, Direct-Pour models provide ambient dispensing of thin to thick and thicker craft sauces for countertop serving. PerfectSense™ technology detects the users' hand to serve up to 1-oz; removing hand stops serving early. Dispensing field is 1- to 3-in from sensor eye, to eliminate dispensing during surface-sanitizing or pass-by activity. TDP models are constructed of a stainless steel, brushed-finish vessel with surgical-quality plastic pump and include a flavor label set for food identification. Direct-Pour model 100250 includes a Touchless, Direct-Pour pump (100265) with 1.3-gal food-safe jar and lid (100280 & 100281); model 100259 includes a Large Capacity, Direct-Pour pump (100256) with 3.0-gal food-safe jar and lid (100282 & 100283). 24V DC with 100V–240V adapter power cord and USA NEMA 5-15P plug, 2 Amp (max). 1-Year warranty.

SE-SS-TDP includes  
1.3-gal jar (100280), lid  
(100281) and pump (100265)

SE-SS-TDP LCAP includes  
3.0-gal jar (100282), lid  
(100283) and pump (100256)
